# **LEOLA NURSERY SCHOOL**

**2012-2013**

**A preschool for  
3 and 4 year old children**

## PHILOSOPHY AND GOALS

Leola Nursery School strives to provide positive learning experiences for children and prepare them for success in school. Using both the Pennsylvania Early Learning standards, and the local Success by 6 initiatives as guidelines, our program is structured to develop physical, cognitive, language, and social skills in all of our children.

By providing an atmosphere that encourages the child to think, we lay a solid base for mental development. Our activities are geared toward supporting parental teaching and developing the total child.

The Leola Nursery School is a ministry of the Conestoga Church of the Brethren, 141 E. Main Street, Leola, PA 17540.

The school offers no denominational religious training, but, rather, attempts to instill in its students values common to all traditional religions: reverence for God, love and compassion for others, and a respect for individual differences.

## ENROLLMENT

Children entering nursery school should be four or three years old before September 1 for their respective class. **All students should be toilet trained.**

Applications will be accepted March 1, 2012 for the 2012-2013 school year. Each application form must be accompanied by a \$40 non-refundable registration fee, made payable to Conestoga Church of the Brethren,

and mailed to Leola Nursery School, 141 E. Main Street, Leola, PA 17540. **Please note that registration cannot be confirmed until the \$40.00 fee is received** and classes often fill up very quickly. Students are accepted on a first-come/first-served basis. The nursery school does not discriminate against applicants on the basis of race, religion, or creed.
